

# IT'S A SPOOKY SUMMER AT CAMP SAVE-A-WATT'S PHANTOM HOUSE.

Energy vampires are electronics that use power even when they are turned off. They seem to be everywhere in Phantom House! Beware of energy vampires!

Complete the spooky MadLib about Phantom House below by inserting the missing parts of speech.

They say Camp Save-a-Watt's Phantom House is haunted; my \_\_\_\_\_ (adjective) friend \_\_\_\_\_ (first name) says she saw a \_\_\_\_\_ (adjective) \_\_\_\_\_ (noun) floating at the end of the hall near the room. Some say if you \_\_\_\_\_ (verb) down that hallway at night, you will hear a \_\_\_\_\_ (animal) \_\_\_\_\_ (verb ending in ing). My other friend, \_\_\_\_\_ (adjective) \_\_\_\_\_ (first name), saw \_\_\_\_ (number) \_\_\_\_\_ (plural noun) \_\_\_\_\_ (verb ending in -ing) under one of the tables once! If I saw that I would \_\_\_\_\_ (verb) until my \_\_\_\_\_ (plural body part) hurt. I might even shout, " \_\_\_\_\_ (exclamation)!" The Phantom House sounds like it is \_\_\_\_\_ (adjective). Eek!
