

Hello! This week campers will take a virtual trip to Firefly and Butterfly Lake. Fireflies are the light bugs of the sky! Want to help PEC save the Monarchs? Learn more at camp.pec.coop and click on the 'Let's Go' button in the middle of the page or 'Camps' at the top right of the page and access fun, educational Week 2 content.

We're excited for next week when we have our first in-person event, a solar car derby! Campers will have an opportunity to learn about solar energy, build solar cars, participate in solar-related activities, meet other campers, and enjoy a snow cone treat. More details are below.

Join us for Camp Save-a-Watt's Solar Car Derby!

Date: Thursday, June 23, 2022

Time: 9 a.m. – 11 a.m.

Location: PEC Headquarters – 201 S. Ave. F, Johnson City, Texas

A RSVP is required for the event by emailing youthprograms@peci.com by Thursday, June 16.

Please include the following info in your RSVP - camper's name, camper's age, and number in party (including parents and any siblings not registered as a camper).

Should you have any questions, please feel free to contact us by replying to this email or sending an email to youthprograms@peci.com.

Happy camping!
